Plastic Recycling Guidelines

Two types of plastic may be recycled:

PETE

Drink Bottles: Water, Soft Drinks,
Juice, Sports Drinks

Food Jars and Containers

Rigid Packaging: Clamshells and
Blister Packs

HDPE

Milk Jugs

Liquid Containers and Bottles:
Detergent, Soap, Shampoo,
Household Cleaners

Buckets and Pots

3 Easy Steps to Recycling Plastic

1. Check the item to make sure it is #1 or #2 plastic.
2. Empty and briefly rinse the plastic item.
3. Both #1 and #2 plastics can be placed in the same recycling container.

Garbage | NOT Recyclable

These plastics include types of cling wrap, sandwich bags, plastic bags, Tupperware, yogurt containers, stadium cups, bottles, cutlery and dinnerware, and take-out food containers. Please check the plastic item to be certain.

Contact EnviroTech Waste Services, 605-224-4804, with any questions.
